

Inkwell PDF Annotation Test

This is a sample PDF for trying the annotator. Select any of this text in the viewer, pick a highlight color, and it will appear in the Highlights panel on the right.

Section One

The quick brown fox jumps over the lazy dog. Knowledge graphs connect ideas across notes, and PDFs become first-class sources you can cite.

Section Two

Click a highlight in the side panel to jump back to its location here. Use the "ref" button to copy a link you can paste into any note.
